At Geepas, we believe, that happiness is found in little things. It's not always about the big choices that we make. It's those little choices that add up and put a smile in our hearts. A hot steaming cup of coffee in bed, cooking for your family, a picnic out in the sun, seeing our kids play, these are the everyday things that light up our life. We understand the importance of little things, like a little more convenience, a little more simplicity, a little more technology, when they all come together they result in a lot more of happiness, a lot more of life. This is one simple philosophy that drives us to make products that can make you happy. In millions of households in over 90 countries around the world, we are synonymous with ease and convenience. With a portfolio of more than 1,500 products that cater to every aspect of life, we are committed to providing the best quality electronics, home appliances, lighting and personal grooming solutions that bring happiness to consumers.

Through the past winning years , GEEPAS has been recognized/certified by various authorities such as SASO (Saudi Arabian Standards Organisation), ESMA (Emirates Authority for Standardization and Metrology), ADQCC (Abudhabi quality and confirmity council), BIS (Bureau of Indian Standards), BPS Philippines (Bureau of Product Standards) , CE (Confor-mity Europe).

“ We offer you happiness by giving your home the best makeover that it deserves ”

Geepas own internal Quality assurance team which ensures the products quality through various quality check procedures and testings.

Product Overview

At Geepas, we have come a long way from a humble beginning, evolving into one of the biggest manufacturer and distributor of electronics employing over 25,000 staff in 12 countries. Now one of the most recognized brands in the Middle East and around the world, we rely on a highly efficient R&D department and dedicated professionals to continue producing top-class products that usher in happiness in everyday life. We're always looking for new and better ways to bring happiness to you, whether in simple improvements to your favourite products or in coming up with exciting new gadgets that make your life even easier.

Entertainment Products

Your favourite shows in crystal-clear quality. The movies you enjoy in surround sound. Geepas makes entertainment accessible and more enjoyable.

Home Appliances

A more powerful vacuum cleaner that lets your home clean from top to bottom in less time. Airconditioners that keep you cool using less energy. Geepas simply makes life better.

Kitchen Appliances

A blender, mixer, grinder all in one. A juicer that gets the most out of the hardest fruits and vegetables. Kitchen time is fun time with Geepas.

Lighting Products

From small flashlights that bring light to the darkest corners, to a smart bulb you can use as an emergency lamp, Geepas lights your way in any situation.

Personal Care

Maintain your signature look or try a new style every day. With Geepas enhance your style as easy as pressing a button.

Accessories

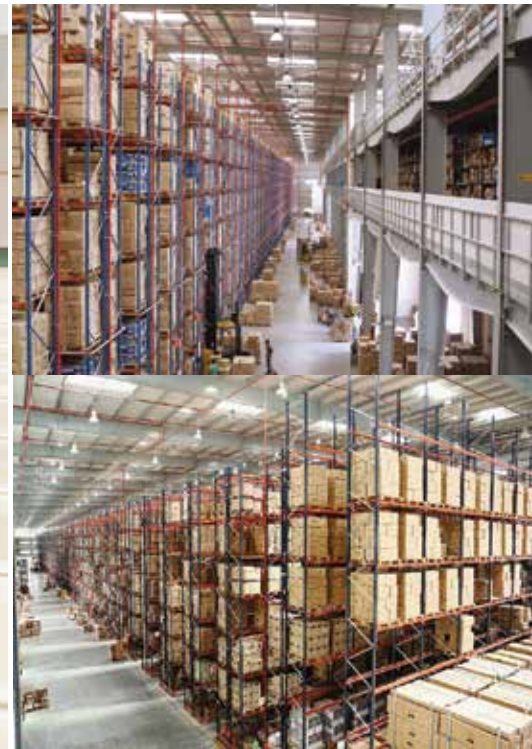

Give your home professional care. DIY projects and maintenance are now easier and more efficient with Geepas Toolz.

At Geepas, we believe, that happiness is found in little things. It's not always about the big choices that we make. It's those little choices that add up and put a smile in our hearts.
